

*Dear Children of Burton Salmon School*

*This is just a small message to say hello and to let you know we're all thinking about you. Plus, everyone loves getting something in the post!*

*For some of you, it feels like a long time since we've seen each other. For others, you've been into school and continued enjoying the activities that have been going on. Either way, you're staying safe and that's what matters.*

*Some of you may be worried if you're doing enough school work, either online or your own things. You may be worried if you're still rocking it or that things may be said if you've done very little work.*

*Don't worry.*

*If you've made it through the day by helping those around you – you've rocked it.*

*If you've helped feed and entertain someone in your house – you've rocked it.*

*If you've tried your best to be sensible and not to argue – you've rocked it.*

*These are strange times we're living in and we still need to keep ourselves, and the ones we love, safe. That's the most important thing.*

*All the members of staff cannot wait to get back into school and see you all again, but until that happens, we wish you and your families all the best. If you have any worries or questions, or if you have any good ideas, please let us know. You can contact the school any time.*

*Best wishes from Burton Salmon School staff.*
