Friday 15<sup>th</sup> July 2022

Dear Parents and Carers

### **Heatwave – Monday 18<sup>th</sup> and Tuesday 19<sup>th</sup> July 2022**

In light of the extreme heat weather warning in place for Monday 18<sup>th</sup> and Tuesday 19<sup>th</sup> July 2022, we will be following the guidance from North Yorkshire County Council and the DFE.

We have put in place the following:

- Please ensure that a high factor sun cream is applied to your child before school and send your child with sun cream (if they do not use the school's cream) clearly labelled with your child's name to self-apply later in the day.
- All pupils must come to school with a sun hat and named water bottle.
- Water will be available at all times from our water cooler.
- A change to school uniform – Pupils can wear a PE kit, summer dress, T-shirt and shorts or cool loose-fitting clothing. Please make sure that shoulders are covered and **no** crop tops are to be worn.
- All window and doors will be open and blinds will be kept shut.
- Changes to the school timetable will include no PE sessions and quiet activities have been put in place.
- Children will spend no more than 20 minutes outside unless they are in the direct shade i.e. canopies and gazebos.
- There will be no physical activities at playtimes/lunch times.
- We will ensure that water is given to children after break and lunch times.

Should we receive any further updates or changes regarding the weather warning from North Yorkshire County Council, we will send out an email via ScholarPack.

Please make sure you apply the sun cream and send a bottle into school, if you haven't already done so. Please remember to send your child with a water bottle, sun hat and wear suitable clothing to keep them cool and protect them from the sun.

We hope you have a lovely, sunny, safe weekend.

Yours sincerely

Craig Bealey  
Head of School
