Characteristics of Effective Teaching and Learning	<p>Playing and Exploring – Children investigate and experience things, and 'have a go'.</p> <p>Active Learning – Children concentrate and keep on trying if they encounter difficulties and enjoy achievements.</p> <p>Creating and Thinking Critically – Children have and develop their own ideas, make links between ideas, and develop strategies for doing things.</p>		
Over Arching Principles 	<p>Unique Child: Every child is a unique child, who is constantly learning and who can be resilient, capable, confident and self-assured.</p> <p>Positive Relationships: Children learn to be strong and independent through positive relationships.</p> <p>Enabling Environments: Children learn and develop well in enabling environments with teaching and support from adults, who respond to their individual interests and needs and help them to build their learning over time.</p> <p>Learning and Developing: Recognise the importance of learning and development. Children develop and learn at different rates.</p>
