Dear Craig,
Further to your kind donation back in October 2021, we wanted to let you know how your efforts have made a real difference to the lives of brave kids near you.

Your support has allowed us to help towards sending 28 children from North Yorkshire who have epilepsy, ADHD, Down's syndrome, global development delay, cerebral palsy, sensory processing disorder, autistic spectrum disorder and mild to severe learning difficulties.

The children enjoyed a trip to Moors Railway Santa Special.

The experiences that we organise of course give children wonderful memories, but do so much more, helping to improve their communication skills, learning development, independence and self-esteem.

I have enclosed few photos sent in by the children, who wanted to say a big thank you for their special day. We hope you enjoy it.

Please accept our thanks for your invaluable support, in allowing these children to experience what life has to offer.

If you require any further information please do not hesitate to call me on 01462 530710 or email suffia@happydayscharity.org. You can also find out more about our work at www.happydayscharity.org.

Kind Regards

Suffia Shah
