Dear Parents/Carers of Year 5 and 6 children

For a few years, schools have been individually responsible for speaking to the older children about 'Growing up' and menstruation.

Mrs Lindley will be delivering a session to the children on Friday 30th June 2023. The first session is for all children in Year 5 and Year 6 where they will learn about puberty for both genders, including the physical changes to their bodies.

The second session is for Year 6 children only, who will learn about sex and relationships. The learning will be appropriate to their age and the children will have the opportunity to ask questions.

The majority of the content for both sessions originates from 'Let's talk about puberty' video, one for boys & one for girls, which can be found on YouTube by googling this phrase.

Your child will be included in the session unless we receive an email/letter from you to say you do not give permission by Friday 23rd June 2023.

Yours sincerely

R. Lindley
