Spring Term Orchard Out of School Club News

January 2020

This half term we will be doing the following activities:

Mondays – Lego

Wednesdays – Junk modelling

Fridays – Film night

We would be grateful for any donations of U-rated DVDs for the children to watch on film night.

On Tuesday's the club will be held in the main school building until 4.30pm, when we move back into the dining hall.

A light snack is served at 4.30pm and the children are encouraged to get involved with menu planning and food preparation. Hotdogs, wraps, crumpets and pasta are all popular choices. Snacks are served with fruit and vegetables such as apples or cucumbers.

Water is available throughout the session.

We use the outdoor area regularly so please send a coat if your child will be at the club as it can be chilly in the evenings. Finally, a polite reminder for parents to return the parental contract and booking form that you received at the beginning of term.

Thank you

Mrs Laycock
